The Gipsy Kings Serenade Austin's Backyard

February 9, 2010- Austin, TX

The Gipsy Kings are coming to Austin! Direct Events is proud to be hosting a night with the Gipsy Kings, the Mediterranean music sensation. Known for their blend of rumba, flamenco, jazz, and pop, all with a Middle Eastern influence, their lyrics have been featured most recently on soundtracks from "Entourage" to "50 Anos de". For one night, they will be here in Austin, bringing the music of their latest album, "Pasajero", to the Austin scene. Using a blend of Spanish, French and Catalan, their sound is made for dancing or simply inspiring to all who hear. The concert will be held on May 6th at The New Backyard at Bee Cave, located on 13472 Bee Cave Parkway, the perfect place to relax and listen, or to get up and dance with your partner.
